FAITH AND BELIEFS

The statements below describe beliefs taught by firstChristian Church. This is not a complete statement of faith but represents firstChristian's Biblical understanding of some important doctrines. Please read through them and check a box below.

- God is the creator, ruler, sustainer, and redeemer of the universe.
- God has always existed in three persons: The Father, Son and Holy Spirit.
- Jesus is God's Son, died on the cross as our payment for sin and rose from the dead.
- The Holy Spirit provides the Christ-follower with power for living God's way, understanding of spiritual truth and guidance in doing what is right.
- The Bible is the true Word of God.
- We, as people, are made in the image of God and are to grow to be like Him in character.
- One accepts God's free gift of salvation to receive eternal life and a relationship with God.
- Repentance and baptism by immersion are modeled in the Bible as faith responses to believing in Jesus and to accepting Him as Lord and Savior.
- Followers of Jesus are called to build the church through service and change the world for good through love.

I agree to support and promote these faith statements.

I would like to discuss these further with a minister.
