ENGAGE IN EVERYDAY MOMENTS TOGETHER

### Morning Time

As your kid starts their day, tell them about an area where you see their “smarts” (it doesn’t have to be academic) and why you admire them for it.

### Meal Time

At a meal, have everyone at the table answer this question: “What is something that you know is true?”

### Drive Time

While on the go, ask your kid: “What is something new you’ve learned lately?”

### Bed Time

Pray for each other: “Jesus, help us to see what is true when things are confusing. Help us always to remember what you say about who You are, who You say we are, and how much Your love for us is true.”
